12/9/18

EThan,

Well about 10 more days and we should be able to see you. We can't wait! Hopefully you will get 2 weeks + we can sight see were ever you like. We drove around Statesboro old mansion district yesterday. There are some really neat mansions here. I can only emagine what the old district will look like in Savanah. They have trollies in Savanah so you can tour the whole city.

Hows everything going for you. Hang in there you are about to get to the finish line.

Believe me you will be glad you did it + you can feel like a man. Look at all the sorry ass so called men in this world that couldn't make it in basic if they tried. We are proud of you + know you'll be a man now. I think all boys should have to go into the army but I don't think we have enough jails to hold all the pussy's that can't make it.

I didn't care much for basic training but I was married + had a lot of things to take care of like a wife, a house + everything I left behind, but I made it + I'm glad I got to help my country in Vietnam + it was a good experience, I'd do it all over again.

Well Ill close for now. Remember we ~~all~~ all love you + miss you. very much.

(With Love)
